

**Training & Assessment  
in Healthcare Ltd**

*Training and Professional Development*

## **Team Working**

**This session aims to improve team working, through interaction and discussion and by extending knowledge of group processes and team development, whilst thinking about our duty of care for the people we support and our team philosophy of care.**

### **COURSE OBJECTIVES**

---

- To have the opportunity to reflect on our individual responsibility for team working
- To identify attitudes and positive behaviours that impact on team effectiveness
- To learn about team processes
- To reflect upon our 'philosophy of care' and team objectives
- To develop skills to improve assertive behaviours within the team

### **COURSE NOTES**

---

- This course can be delivered as a full day and made bespoke to your organisations and teams development needs.
- Delivered inhouse or via zoom. Please contact us for further details
